

David Destefano

Board Treasurer

Our motto is “The People You Know”. Over my 23-year banking career I have forged many solid relationships and built a great network of customers and friends. These relationships have helped in other ventures such as the Lake Travis Education Foundation where I served for 4 years with 3 of those years as President Elect, President, Past President, now serving on the Past President’s Advisory Board. I also devote time to the CavsLounge a nonprofit that helps underprivileged kids at the High School; a Kind Hart Foundation which supports the Lake Travis Crisis Ministries and other community members in need in the greater Lake Travis area; Engage & Heal that focuses on youth & young adults and their mental health. CC4C has a huge place in my families’ hearts since my 9-year-old daughter Ashlynn was accepted and we are forever grateful. For me a huge way to say thank you is to help get behind the cause and help it grow.
