

CHEYANNA'S CHAMPIONS 4 CHILDREN

Rare. Undiagnosed. Real Support.

# SIBLING ADVENTURES

Siblings of children with rare medical conditions cherish opportunities for fun activities and one-on-one time with a parent. CC4C's Sibling Adventure days provide fun, intentional time created just for them.

## HOW YOU CAN HELP:

- **Plan and host an event.** Typical attendance is approximately 10 children + a parent. Ideas: Bowling, crafts, ice cream date, roller skating, parent/child dance.
- **Provide a financial donation to sponsor an event.** You can help co-sponsor or co-host for as little as \$100 for a small group event up to \$1000 for a large group or multiple events.

We'd be honored to discuss ways you can help support our super siblings.
