

Danelle Kemp  
*Development Director*

Danelle is mission-driven and has 5 years of experience as a development professional in nonprofit healthcare. Joining CC4C has allowed her to combine her skills with her passion - to care for others. She is deeply connected to CC4C's mission because she has walked alongside her sister and niece as they navigate the rare journey.

Danelle is a mother to two incredible girls and two incredibly sweet dogs. She and her husband love to enjoy the outdoors with friends and be of service to others.
