Visit [our website](https://cc4c.org/cc4c-children) (cc4c.org/cc4c-children) to learn more about each Spotlighted child so you can personalize cards. Feel free to make multiple cards for each child, if you'd like. Let's make them feel celebrated!

- Use paper, construction paper, cardstock, stickers, etc. and personalize with children's names. (Please, no glitter.) Be creative! Do not seal in envelopes; loose cards are fine.
  - *Please do NOT mention the child's diagnosis or challenges on the card. Make the card a happy birthday wish just as you would for any other child.*
- When submitting cards for multiple children, please **group cards together by child**. (For example, clip all of Brendan's cards together and separately clip all of Mady's cards together.)

**Cards are accepted year-round for all kids!** Mail or drop off cards to: CC4C, 11701 Bee Caves Rd, Suite 200, Austin TX 78738. (Drop off M-F, 8:00- 5:00)
