

A Dream Team is a group of people who volunteer to uplift a child with a rare or undiagnosed medical condition.

By inviting a child to join their group as an honorary member, the team provides a community of support to make the child feel special, provide moments of joyful normalcy, and keep them uplifted and encouraged!

BECOME A DREAM TEAM

WANTED:

Individuals or groups who:

- ✓ Want to make a difference in a child's life.
- ✓ Are committed to creating uplifting experiences for a child at least twice during the school year.
