

Impact Report

FY 21 - 22

*Uplifting the Rare
and Undiagnosed*

Our Mission

is to enhance the quality of life for children in Texas with rare and undiagnosed conditions.

How We Help

We provide direct **Financial Assistance** to reimburse medical expenses not covered by insurance.

Our **Family Well-Being Programs** connect families to a community of peer support and resources.

Through **Uplifting Child Experiences**, we help create joyful, childhood memories.

"We were even invited to the end-of-year banquet, and my child stood and was cheered for by a room full of her peers. What an incredible experience could not have ever imagined that would occur...

Homecoming parade and her special day...words cannot even begin to describe our gratitude experiences she would not otherwise get."

- Parent of Champion Child in CC4C's Dream Team Program
